

The Loop is a system of paved shared use paths and short segments of buffered bike lanes connecting the Rillito, Santa Cruz, and Pantano River Parks with the Julian Wash and Harrison Road Greenways. More than 124 miles of paved pathways and bike lanes have already been completed with an additional 9 miles planned or currently under construction. Distance includes both sides of the river park as well as neighborhood path connectors. The Loop extends through unincorporated Pima County, Marana, Oro Valley, Tucson, and South Tucson. The connections are the result of Pima County's cooperative partnerships with these jurisdictions.

The Loop connects parks, trailheads, bus and bike routes, workplaces, restaurants, schools, hotels and motels, shopping areas, and entertainment venues. Visitors and Pima County residents can enjoy The Loop on foot, bikes, skates, and horses. If it doesn't have an engine, it's good to go on The Loop.

The Loop is a work in progress. Stay up-to-date on developments on The Loop by visiting:

Safety on The Loop

- Always carry enough water and exercise before 9 a.m. and after 5 p.m. in summer.
- Visit www.pima.gov/heat for additional heat safety tips.
- In less travelled areas of the path, be aware of your surroundings and, whenever possible, walk or ride with a friend.
- When riding or walking on The Loop, carry some form of identification, tell someone where you're going and carry a cell phone.
- Give wildlife a wide berth. Watch out for javelina, coyotes, bats and rattlesnakes, particularly around sunrise and sunset, and never approach a wild animal.
- Always keep your dog leashed and under control. Keep your pet close at your side to avoid injuring other path users who could become tangled in the leash.
- Bicyclists should carry a tool kit and all items necessary to repair a breakdown or flat tire. Assure that your bike is in good condition before starting a ride.
- Do not ride your bicycle at a speed that would feel frightening to other people using The Loop. Remember: The Loop is for cruising, not racing.
- Be aware of people with disabilities and respectful of their needs. All path users should yield to people with disabilities.
- If you encounter a horse and rider, slow down or come to a full stop, and ask the rider if it's safe to pass.
